The Republicans Organized for Positive Victory.

ESPECIAL TO THE APPEAL!

HELENA, ARK., October 27.—Your correspondent was today made aware of the fact beyond the possibility of a doubt that the Republicans in the First Congressional District of Arkansas insisted of being without organization, as the Democrats think, are thoroughly and completely organized for the Congressional election on the 4th of November, at which time they propose to vote solidly for a Republican. The Republicans have made their calculations to win, based upon the feeling if recently in the Democratic party that the Republicans would not have a candidate and the hope of those who were opposed to the Hon. P. F. D. Duane receiving the Democratic nomination. The calculation of the returning the Democratic majority by polling their full vote while the Democrats, thinking there was no opposition, would have been indifferent about the election and remain at home, is well taken, and makes it imperative that every Democrat in the district goes to the polls and has a neighbor go to the polls also. The Republicans are in error, however, when they presume that the Democrats who opposed Col. Duane for the nomination will now support the Republican candidate. They real in the fall that the principles which Col. Duane, as a member of the Democratic party, had advocated are those which will benefit the nation, and particularly ouristic, the most. It would be an irreparable calamity to the people of the district if he is defeated. That the Republicans are going to make a power in the future is all agreed, and the only thing that will prevent them from so doing is for the Democrats to do their duty.

**SARDIS, MISS.**

Judge J. B. Morgan Makes a Rousing Speech.

CORRESPONDENCE OF THE APPEAL.

SARDIS, Miss., October 27.—The Hon. J. B. Morgan made a rousing speech to a large and appreciative audience of the voters of this county today. He arraigned the Republicans for its extravagance in the past, demonstrating its unfaithfulness to the interests of the people, but at the same time he had been extravagant in voting away the public lands belonging to the government, and demonstrated that since the present administration had taken hold of the reins of government as he expected, he had constantly been made to reclaim the lands, a great portion of which he already had claimed and given to the people of this country.

The Judge's speech was particularly interesting and inspiring in many other respects. To sum up the whole matter the Judge made one of his happy efforts. His speech was not only highly appreciated by the white portion of his audience, but was listened to with marked attention by the colored people. They seemed to be impressed with the idea that the Judge was not only a man of ability, but one who was honest and competent, and also one who would represent the people of his district in the American Congress without regard to race or color.

We predict for the Judge an independent at the ballot box that will demonstrate that the people are a appreciative of the services of an honest public servant, and will return him to Congress by an overwhelming majority.

**MR. BLAINE'S MOVEMENTS.**

He Makes a Speech at Bellefonte, Pa.

BELLFONTE, PA., October 27.—The Blaine party had a dull trip the morning. It rained steadily throughout. The train was delayed half an hour on the start but in the time was made up when Johnstown was reached. Here it was learned that there was a land slide on Homestake Bridge and a freight train half a mile further on. Over an hour was lost on this account and when the party reached Altoona they were due at Bellefonte. Mr. Blaine was called upon to say something at Tyrone, but merely bowed to the hundred or more persons who had assembled. Bellefonte was reached at 1:30 o'clock. The meeting was held in the public square and the assemblage numbered about 6000 people. Mr. Blaine made a short address.

A brass band and several hundred people welcomed Mr. Blaine and party to Williamport. They were taken in cars to the park, where about 8000 citizens were waiting in the rain. The beautiful residence along the route to the park were decorated. Mr. Blaine's speech was of rather a humorous tone and provoked much laughter.
